

Next Generation Golf

The golfing companion App for the competitive recreational golfer

Next Generation Golf: Compete against other golfers across Canada, no matter on which course you play, or how well you play. Let our GolfGT App track your performance. Qualify for our year-end tournament for cash and prizes.

THREE GAMES ON ONE

PAIRSGOLF

Pairs Golf is GolfGT's feature game. It has two people playing together in a scramble format. Decide on who will manage the App for scoring and distances and who will be the time manager to ensure you don't run out of time. And of course, decide on who will take on the Leadership role on the odd or even holes. See who's strategy works the best or a combined strategy to post a Level changing score.

THE PERFECT GAME

Golfers play solo against their own previous best score to hone their accuracy and skills. This would be considered a practice round to perfect yardages and solidify the best distances to shoot and play from, for best results. In addition, it gives a golfer an opportunity to move up the Leaderboard and maybe even a Level.

GOLF STARS

Golf Stars is a game for two people competing head-to-head on the same golf course (Live), or from different golf courses (Virtual). This is a great game if you are a little competitive. Make sure to practice good social behaviors while playing.

MAIN APP FEATURES

Golf Courses

Consider using our Leadership Tournament Program to increase user satisfaction. Our program works well for beginners and seasoned golfers playing together. Consider starting a GolfGT League at your golf course.

Scorecards

Scoring is a percentage of shots made vs missed shots. When you enter your data and follow the prompts to determine your middle-of-green distance, scoring is automatic within the App.

Profiles

Manage your preferences on your profile dashboard. The information you enter will create a public profile for others to see on the Leaderboard.

Leaderboard

Golfers receive a placement on the leaderboard when they have enough points to qualify for the year-end tournament. Not on the leaderboard yet? Your score will always show in your profile so you can gauge how much golf you need to play to score enough points to make the playdown. Watch the leaderboard for the current standings of the top 16 golfers.
