

Next Generation Golf

NEXT GENERATION GOLF

The golfing App for the social golfer, the business golfer and the competitive recreational golfer. Compete against other golfers across Canada, no matter the course in our system on which you play, or how well you play. Let our METAGOLF App track your performance. Qualify for our year-end tournament for cash and prizes. Courses outside our system can easily be added.

THREE GAMES ON ONE

The Perfect Game

Golfers play solo against their own previous best score to hone their accuracy and skills while adding points to the Leaderboard.

Golf Stars

Golf Stars is METAGOLF's feature game. It's a game for two people competing head-to-head on the golf course.

PairsGolf

PairsGolf is METAGOLF's social game. It has two people playing together in a scramble format to score better than playing as an individual. This game is Great for relationship building in business, family and with friends because you are always playing from the same ball location.

MAIN APP FEATURES

Game Lists

Create games and invite players. Play solo or head-to-head. Play on courses in our system.

Scorecards

Scoring is a percentage of shots made vs shots missed. When you follow the prompts to determine your middle-of-green distance, scoring is automatic within the App.

Profiles

Manage your preferences on your profile admin dashboard. The information you enter will create a public profile for others to see.

Leaderboard

Golfers receive a placement on the leaderboard when their points are high enough to reach the top 16. Compare your score with the leaderboard and determine how much golf you need to play to score enough points to make the top 16, who qualify for the year-end tournament.

GOLFERS

Compete against other golfers across Canada, no matter on which course you play, or how well you play. Let our METAGOLF App track your performance. Qualify for our year-end tournament for cash and prizes. Courses outside our system can easily be added. Recommend yours!

Navigate the App to get comfortable. Check out available games and have a look at the leaderboard and player profiles. When you are ready to play a game, pay your annual user fee of \$12.99 to get started on your race to the top of the leaderboard. Year-end tournament for cash and prizes.

YEAR END TOURNAMENT

The METAGOLF App offers three different game types. As you play either game you will accumulate points. How points are awarded are explained on our rules page. Your point total becomes part of your profile. Is it high enough to be on the leaderboard?. The top 16 players on the leaderboard qualify for the year and tournament.

For the tournament, each top 16 player will be matched head-to-head against another player. The winner of these matches will advance to the second round. This method is repeated until a champion is determined.

COURSE OWNERS

Get Involved: The METAGOLF App adds a new social, business and competitive feature to playing golf at your golf course. Players using the App may play against their previous score or another player. Employ the App in your league program to add a new component to the game and increase participation. Assigning just one evening per month to METAGOLF at your course is enough to generate enthusiasm for tee times for head-to-head competition.

Register Your Course: Register your course with MetaGolf and we will map your GPS co-ordinates hole by hole. ***It's free!*** Your course will then appear on our list of GPS-ready courses available for golfers to access through the App.

CAREERS

Are you looking for a way to pursue your passion for golf while building a successful career? Do you want to have the flexibility to set your own schedule and work independently? Would you like to develop valuable skills that can be transferable across a range of industries?

If you answered yes to any of these questions, consider exploring the idea of selling a new concept or product in the world of competitive recreational golf. With the right approach, you can create a career or a part-time position that aligns with your interests and goals. So why not take the first step today?

METAGOLF has a career opportunity that may be the perfect answer for you. With a next-generation approach to playing golf competitively using an App, the opportunities to bring the concept into the marketplace are wide open.

METAGOLF is seeking persons across Canada who enjoy being early adopters in a world where employing digital support to play competitive recreational golf could be a game-changer.
